Dear Parents / Carers

INSET Day – Monday 6th January 2025

We wanted to give you as much notice as possible about a change in this year's term dates which will affect the school opening in the spring term.

Our annual Compass Conference will take place on Monday 6th January 2025 and this will be an INSET day, with no school for children. School will resume on Tuesday 7th January 2025.

We do apologise for this change in dates. We delayed publishing this date until the conference arrangements were confirmed.

Thank you for your continuing support.

Yours sincerely
