

3 Year strategic Equalities, Diversity and Inclusion plan

2022-2025

School name: Willow Dene

Overarching trust aim:

To develop an inclusive trust culture, where our values; ambition, optimism and resilience underpin the organisation.

The Compass Partnership of Schools is committed to ensuring everyone within our organisation feels included and thrives. We uphold and seek to promote the equalities act 2010, ensuring no-one is disadvantaged because of age, disability, gender reassignment, pregnancy/maternity, race, religion, sex or sexual orientation.

The 3-year equalities framework aims to consider how we break down the steps needed to meet our overarching aim. To achieve deep lasting change, we take the approach of planning a process of engagement, exploration and finally embedding the actions being undertaken. To be responsive to the needs of the organisation, we detail the smaller actions required to break down the overarching aim making adaptations and additions annually or more frequently if required.
